BBQ Brethren Competitors

On behalf of Board Members of Breast Cancer Help, Inc., thank you for the kind and generous donation of the autographed cook books for the Battle of the BBQ Brethren you made to our organization.

We appreciate that you have chosen to make Breast Cancer Help, Inc. the Beneficiary of your event this year; your inclusion of our organization is gratefully appreciated. We were very successful in raising over \$5000.00 to help fund a Digital Mammography System for North Shore LIJ Southside Hospital, our local hospital, located in Bay Shore NY. So many of the people attending the event and the competitors of the Battle of the BBQ Brethren, were most helpful in making our part of this event most successful.

The donations of so many baskets and other BBQ related items enhance our event. We were blessed with wonderful weather and your contributions only made the weekend more special.

The board and all our members are dedicated to achieving the goal of ensuring that Long Islander's have access to the best possible diagnosis and medical care available. Thanks to the support of people like you, we are making the goal a reality. However as you know, the crusade against breast cancer continues and we at Breast Cancer Help, Inc. will continue to work and move forward to eradicate this disease.

Thank you for your generous support in choosing Breast Cancer Help, Inc. to receive your support.

Sincerely,

Alex Fezza
